EXPERIENCE

Music Computing & Psychology Lab

Coral Gables, FL, US

Research Assistant

June 2025 - June 2026

- Conducted research on emerging technologies and their impact on music creation and creative practice.
- Designed and translated complex systems into accessible tools for musicians, students, and educators.
- Lead the educational technology integration program with Moises across campus with logistics, demos, workshops, research, assignments, and marketing videos.
- Presented research findings at academic conferences and industry events, including the Audio Engineering Society Europe: Intelligent Audio 2026, Music Sustainability Summit 2026, Association of Popular Music Education 2026, and Posse Academic Immersion Day 2026.

Frost School of Music

Coral Gables, FL, US

Teaching Assistant & Mixing Engineer

August 2024 - June 2026

- Design and evaluate coursework, assessments, and research projects for up to 3 classes per semester, easing administrative pressure on faculty and opening opportunities for creative problem-solving
- Mentor graduate students in research design and academic writing at the master's level, guide music ensemble leading recording, producing, and performing at university labs, studios, and concert halls

Newhouse Audio Studios

Syracuse, NY, US

Recording Engineer & Music Supervisor

August 2019 - May 2022

- Recorded, edited, mixed, and mastered sound for over 120 pieces of music, films, and live events, earning the *Stan Alten Excellence in Audio Award* for outstanding achievement in music production
- Designed recording setups, ensuring an accessible and state-of-the-art production environment
- Curated music synchronization for films, fashion shows, and architecture presentations, receiving the *Fashion & Beauty Communications Milestone* for developing cross-disciplinary creative collaboration

SKILLS, HONORS, & CERTIFICATIONS

Technical Skills: *Audio:* Pro Tools, Ableton Live, JUCE; *Programming:* Python, R, Matlab, C++, Claude CLI

Honors: Music Sustainability Summit 2026 Scholar, Audio Engineering Society Europe: Intelligent Audio 2026 Designer, Fashion and Beauty Communication Milestone 2022, Stan Alten Excellence in Audio Award 2021

Certifications: AVID: Pro Tools User Certification; Berklee: Vocal Recording Technology Certificate; Georgia Institute of Technology: Micromasters in Data Science, Certificate of Human-Computer Interaction
